

Khanyisa Construction & Projects (Pty) Ltd

COMPANY PROFILE

REGISTRATION NO. 2021/482913/07

Civil works and general building · Polokwane, Limpopo

ABOUT THE COMPANY

Khanyisa Construction & Projects started in 2021 as a two-man paving team working around Seshego and Polokwane. The company registered with CIPC in June 2021 and took on its first municipal subcontract the following year: 1.8 km of sidewalk paving under a 6CE main contractor.

Today the company employs 14 permanent staff and hires local casual labour per project. We own our core plant: a 6 m³ tipper truck, a TLB, two plate compactors and a full set of shuttering. Most of our work falls within 100 km of Polokwane; projects further afield are quoted case by case.

SERVICES

- Paving, kerbing and sidewalks
- Stormwater drainage and culverts
- General building and renovations
- Plastering, painting and tiling
- Boundary walls and palisade fencing
- TLB and tipper hire (wet rate)
