

# Inkanyezi Protection Services (Pty) Ltd

Guarding and site security · Roodepoort, Gauteng

## COMPANY PROFILE

REGISTRATION NO. 2020/735182/07

### ABOUT THE COMPANY

Inkanyezi Protection Services is a PSIRA-registered security provider guarding commercial and industrial sites on the West Rand. The company registered in 2020 and posted its first guards in early 2021 at a building-supply yard in Krugersdorp, a site we still hold.

We currently deploy 22 registered security officers across day and night shifts. A supervisor does unannounced spot checks on every shift, and a duty manager answers the site phone around the clock. Officers are paid per the sectoral determination and registered with the Private Security Sector Provident Fund.

### SERVICES

- Static guarding for commercial and industrial sites (PSIRA Grades A-C)
- Access control and gatehouse management
- Retail floor security
- Construction site security, including overnight plant watch
- Event security, up to 40 officers with vetted partners
- Alarm and CCTV coordination with armed-response partners
